CLUB NAME : RAMANUJAM CLUB

FACULTY INCHARGE : MR.P. RANGHASAMY, AP/MATHS

INTRODUCTION:

Named in honor of the legendary Indian mathematician **SrinivasaRamanujan**, the Ramanujan Mathematics Club is a platform dedicated to nurturing mathematical curiosity, critical thinking, and problem-solving skills among students. Inspired by Ramanujan's passion and natural genius, the club aims to explore the beauty and depth of mathematics beyond the classroom.

Through interactive sessions, puzzles, quizzes, mathematical modeling, and workshops, the club fosters a vibrant environment for students to engage with mathematics in a creative and meaningful way. Whether you're a math enthusiast or just curious to learn more, the Ramanujan Club offers opportunities to challenge yourself, collaborate with peers, and celebrate the wonders of mathematics.

Join us in honouring the spirit of discovery and innovation that defined Ramanujan's legacy!

OBJECTIVES:

•To promote interest and enthusiasm in mathematics

Encourage students to explore the subject beyond textbooks and develop a genuine love for mathematics.

•To honor the legacy of SrinivasaRamanujan

Inspire students through the life and works of Ramanujan, showing how creativity and passion can lead to groundbreaking discoveries.

•To develop logical thinking and problem-solving skills

Engage students in activities that enhance analytical reasoning, critical thinking, and creative problem-solving.

•To provide a platform for mathematical exploration and innovation

Create opportunities for students to conduct mathematical investigations, experiments, and projects.

•To encourage participation in math-related competitions and events

Support and prepare students for local, national, and international math contests such as Olympiads, quizzes, and exhibitions.
